Explanation of Apple Valley Logo

The blue apple in Apple Valley's logo is more than just an apple. It represents the Apple Valley lake community from a bird's eye view. The center represents blue water of the lake. The green circle around the apple represents the scenic green shoreline. And the apple seeds in the middle represent a group of boats.

2024 Fees & Descriptions

Annual Maintenance Assessment..... \$268.00

(Mandatory per lot owned)

A mandatory annual maintenance assessment fee is **due on April 1 every year**, per lot whether or not the owner plans to use any of Apple Valley's amenities. The administration office mails invoices for these fees around March 1 each year to the property owners' last known address. Each property owner is responsible for payment of this fee whether or not an invoice is received. Assessments are based on the Consumer Price Index and are subject to change each year. The assessment charge is the same for every lot whether or not it is developed. Please refer to the Restrictive Covenants, Article V for further explanation of the maintenance assessment fee. Once the fee is paid in full, you and your spouse may obtain photo ID cards for use of the facilities. **Cards are valid through the assessment year (April 1-March 31)** unless other penalties or fees are added. See Restrictive Covenants Article V, section 9 for Effect of Non-Payment of Assessments.

**ASSESSMENT YEAR
runs April 1 through March 31
of the following year.**

Annual Major Repairs Assessment..... \$83.00

(Mandatory on the first lot owned as of April 1st each year)

Following fees are in addition to the mandatory annual assessment fee for that specific lot.

Co-owner Fee.....\$268.00

If a co-owner of a co-owned lot (*grandfathered in 1997, no new co-owners are recognized for privileges after 1997*) plans on using any of Apple Valley's amenities during an assessment year (April 1-March 31), they must pay the co-owner fee.

This user fee is not prorated. Once this fee is paid, the co-owner and his/her spouse may obtain a photo ID card, good for that assessment year (until March 31), which gives access to all of Apple Valley's facilities including the lake. Cards for dependents may be obtained at an additional cost. There is no due date or late fee, but a co-owner may not use amenities until they obtain a photo ID card. This fee is in addition to the primary owner's fee. If the co-ownership is purchased during the assessment year, the co-owner fee is owed by the new co-owner and does not carry over between co-owners.

Dependent Photo ID Card\$15.00

(Not mandatory - only for federal dependents of property owners, necessary if dependent is at facility without property owner. To obtain photo ID card, parent must accompany child). **Dependents can bring a maximum of two (2) guests to common area and facilities.** This rule applies when the parent does not accompany the dependent and his/her guests to a facility.

AVPOA recognizes a married couple by proof of a marriage license issued from any government entity.

Property owners with different last names may be required to provide **a marriage license for proof of membership privileges.**

Family Passes

Family Pass Regulations

Who is Eligible?

For your family (other than your spouse or current Federal dependent children), property owners can bring their family to the facilities as guests without a family pass, but if a family member wants to use the facilities without the property owner, the property owner must obtain a family pass for them.

Persons eligible to receive a Family Pass are as follows: **parents; son, his spouse and children; daughter, her spouse and children; grandchild, his/her spouse and children; and grandparents.**

The family pass will cover the eligible member's family unit, which is defined in Bylaw 1.7 as an individual or married couple and any dependent children of each who currently qualify as IRS income tax exemptions or are legal wards of, and currently reside with such individual or married couple.

Where can I obtain a Pass?

You can obtain a family pass at the Administration Office, or the Marina. The property owner must sign a form to obtain passes for immediate family. The family members must then come in to obtain their photo ID card.

Additional Regulations:

- The Property Owner will assume full responsibility for the immediate family members.
- Revocation of family passes is possible.
- Immediate family members may have camping privileges for a daily fee. On holidays and holiday weekends, they must camp in the overflow.
- Family members who qualify for a family pass are not permitted to bring guests unless the pass is for 90 days or more.

Once a copy of a 6+ month lease is presented and this fee is paid, the renter and his/her spouse can obtain photo ID cards, which are good for 1 year or the expiration date of the lease, whichever ever comes first. There are no late fees or due dates, but a renter may not use amenities until they obtain membership cards.

This fee is in addition to the primary owner's fee. Cards can only be obtained by one family unit renting a house (consisting of a renter, their spouse and their federal dependents). In the event said Board or its designated committee fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the addition, alteration, or change has been commenced prior to the completion thereof, approval will not be required and this Article will be deemed to have been fully complied with.

2.1. It adopts rules and regulations in the best interest of the Association and its members.

2.2. It owns, builds, administers, and maintains common properties.

2.3. It administers and enforces the covenants and restrictions contained in the Declaration of Restrictive Covenants and in these Bylaws.

2.4. It collects and disburses assessments and charges as permitted by the Declaration of Restrictive Covenants and these Bylaws.

2.5. It does all things necessary and incidental, as permitted by law and under the Articles of Incorporation, to promote the common benefit of property owners in Apple Valley.

Article 3 - Membership, Use of Common Properties, and Suspension of Privileges

3.1. Classes of Membership. There shall be the following classes of membership: Voting Member, Member; Associate Member; Honorary Member; and Temporary Member.

3.2. Voting Member shall be the one member from each lot who is eligible to vote as defined in Article 5.6 of these Bylaws, and shall have the right to notice of any regular or special meeting of members.

3.3. Members shall include every person or entity who holds an interest as land contract purchaser or title holder in any lot or lots included within the "Properties" as defined in the Restrictive Covenants, provided that any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a member.

3.4. Associate Member. If not otherwise a member, each of the following shall be entitled to Associate Membership in the Association: members of the family unit of a Member or Honorary Member, and a lessee or tenant under a written lease of over six months duration. The privileges and duties of Associate Members shall be the same as those of Members, unless changed by resolution of the Board. Because Apple Valley is a single family residential community, the Association will recognize only one lease to a single family. Leases will not be recognized for Associate membership privileges if the subject lot does not contain a single family dwelling.

3.5. Honorary Member. If not otherwise a member, the following may be entitled to Honorary Membership in the Association pursuant to duly adopted resolution by the Board: persons whose services contribute directly to the Association, or who may be adversely affected or inconvenienced because of regulations and/or activities of the Association or its members.

The privileges and duties of Honorary Mem-

bers shall be established from time to time by resolution by the Board, and need not be the same as those of Members.

3.6. Temporary Member. Invited guests are considered Temporary Members while accompanied by a Member or Associate Member in good standing. Lessees or tenants of properties or lots, with leases of two to six months duration, that are limited by the Restrictive Covenants to single family dwellings, shall be considered a Temporary Member. The privileges and duties of Temporary Members shall be established from time to time by resolution of the Board and need not be the same as those of members.

3.7. Membership Use of Common Properties and Facilities. As provided in the Restrictive Covenants, every Association Family Unit as defined above, is entitled to a right and easement of enjoyment in and to the Common Properties. This right and easement applies to Family Units in good standing subject to the rules, regulations, and any reasonable admission and/or usage fees established by the Board.

If the lot is owned by a corporation, the corporation shall designate one person as the corporate owner. The privilege of using Common Properties will be given to the corporate owner's Family Unit.

As of July 1, 1997, there shall be no more than one Family Unit per lot allowed to use Common Properties. This does not affect lots that are duly recorded with multiple ownership prior to July 1, 1997. This does not prevent a person from putting multiple owners on a deed, but only restricts the use of the Common Properties.

The Association will recognize the Family Units of the first four co-owners listed on the deed prior to July 1, 1997 for purposes of membership and use of Common Properties. Each such co-owner, other than the co-owner liable for payment of the full assessment, who wishes to use the Association Common Properties will be required to pay an annual co-owner User Fee, per Family Unit in an amount set forth annually by the Board.

3.8. Suspension of Membership Privileges. Membership privileges, including any voting privileges or right to use the common properties, may be suspended under the following terms and conditions:

3.8.1. Membership shall automatically be suspended where annual or special assessments (including any fines or penalties assessed under Article V of the Restrictive Covenants) are delinquent for more than thirty days, unless the suspension is stayed by action of the Board in its sole discretion due to member hardship. The membership shall be reinstated upon payment of delinquent assessments, fines, and penalties.

3.8.2. Membership may also be suspended by action of the Board for violation of the

Governing Documents - Bylaws

Restrictive Covenants, the Bylaws, or the published Rules and Regulations of the Association, or for misuse of common properties. Each such suspension may be for a period not to exceed thirty days.

3.8.3. The name, address, lot number, cause of suspension, and effective date of the suspension of the suspended member(s) may be publicly posted at the discretion of the Board. In all cases, the decision of the Board shall be final and binding.

3.9. Fines, Penalties, Interest, and Other Charges. The Association, through its Board, may assess monetary fines, penalties, interest or other charges, as well as impose restrictions, against property owners for failure to comply with the Restrictive Covenants, Bylaws, or Rules and Regulations promulgated, over time, by the Board.

3.9.1. The owner, his heirs, devisees, personal representatives, or assigns are obligated to pay the fine, penalty, interest or other charge when due and comply with the Restrictive Covenants as noted.

3.9.2. Any property owner may submit a written appeal contesting a fine, penalty, charge, or restriction to the Association General Manager. Failure to appeal within 30 days of the certificate of delivery date to the last address provided by the member, or by personal service date by an employee of the association, constitutes a property owner's waiver of any objections to the obligation imposed. The Board shall establish and maintain a procedure for handling all written appeals submitted.

3.9.3. Any such fine, penalty, or charge that becomes delinquent, shall become, or be added to, a continuing lien on the property (including the annual assessment). If any lot is sold, any imposed assessment will automatically pass to the successor who assumes the title. You can obtain Ohio registration at the Apple Valley Marina and Apple Valley decals at the AVPOA office or the Apple Valley Marina. All kinds of boats (except houseboats & submarines) are permissible on Apple Valley Lake (See boat size restrictions in LAKE RULES on next page). Walleye, Saugeye, Small and Largemouth Bass make this a premier lake for sport anglers. Crappie, Shellcrackers, Bluegill and Yellow Perch are plentiful for family fishing. The Fish Club in conjunction with the Lake Committee asks that all Crappie caught being under 9 inches in size be released back into the lake.

Playground, Hiking Trail, Dog Park and Ballfield

Just behind the Floral Valley building is a children's playground, which includes a Noah's Ark playset.

Near by is a fenced-in area for dogs to run and play freely. Please be aware of and follow the rules of the park. There is a gazebo within the dog park for seating and shade.

There is also a ballfield equipped with two sets of bleachers, picnic tables, and a grill.

Just beyond the 3rd baseline of the ballfield lies a trail of tree covered canopies where one can hike or bike. The trail is not maintained by the AVPOA, but instead by volunteers in the community.

Please keep in mind that it's "hike at your own risk" and you should more than likely meet/take a friend or gather with a group and not be alone.

If there are any residents and perhaps their family members that would like to gather and keep the trail tradition going, by all means do so.

Please know that some portions can be uneven and seasonally wet/muddy in spots. Be proactive when it comes to animals in nature and walk with a stick.

Also keep in mind if you do take your four legged friend(s) —they must be kept on a leash.
